

FAST FACTS

40+ YEARS

EJM has been a pioneer in worldwide private jet charter and aircraft management services since 1977, continually providing unrivaled investments in client safety and security.

220+ AIRCRAFT

EJM manages more than 220 private aircraft across the US, and is part of the world's largest private aviation infrastructure through our parent company, Netjets Inc., a Berkshire Hathaway company.

9000+ HOURS

Every EJM pilot is required to exceed FAA training standards. We require a minimum of 3,500 flight hours for captains and 2,500 hours for first officers. EJM Pilots average over 9,000 hours of flight time!

THE EXECUTIVE JET MANAGEMENT EXPERIENCE

Executive Jet Management (EJM) has been a pioneer in worldwide private jet charter and aircraft management services since 1977. Last year, our **850+ professionally-trained associates** managed more than **41,300 flights** for **85,925 passengers** that visited **1,300 airports** in **107 countries** around the globe.

AWARD-WINNING CUSTOMER SERVICE

It truly takes the best in the business to handle the largest managed fleet in private aviation. Devoted to providing exceptional service at every turn, our associates are available 24/7/365.

UNSURPASSED SAFETY AND SECURITY

EJM manages the most diverse fleet of private aircraft in the world covering more than **31 million miles** and **72,400 flight hours** per year with an impeccable safety record and is recognized among the industry's finest for its rigorous safety standards. Along with conducting critical inspected and approved safety programs throughout the organization such as the Safety Management System (SMS) and Emergency Response Program (ERP), EJM is also audited, approved, and certified by the industry's key third-party audit agencies.

AIRCRAFT MANAGEMENT SERVICES

Our relationship with Netjets and Berkshire Hathaway allows EJM to achieve significant savings on fuel, maintenance, training, lodging, transportation, insurance, EJM jet charter, and more. And for clients wishing to offset operating costs, EJM provides unmatched charter revenue potential when you are not using your aircraft. EJM currently manages a variety of aircraft types including, but not limited to Bombardier, Cessna, Dassault, Embraer, Gulfstream, and Hawker Beechcraft.

AIRCRAFT CHARTER SERVICES

Ascend, EJM's flat-rate flying program, is the ultimate blend of accessibility and value for our clients. Developed in response to clients who need dependable aircraft availability, Ascend is an easy way to manage their air travel spend with a simple and consistent pricing model.

Your Way Program

Our popular on-demand program gives you the choice of any aircraft we offer. There is no long-term commitment, and each trip is individually priced per your specific needs. Just book your flight and go!

Convenience Plus Program

The latest evolution of our Cabin Class program, Convenience Plus truly is the easy way to fly charter. Just give us your itinerary and preferred aircraft size, and we take it from there. We'll book your flight and you simply pay the set hourly rate for your aircraft.
